

THATCHAM VISION FIRST ACTION PLAN January 2007

Index to Action Plan documents

As at 8 December 2006

PART 1: INTRODUCTION AND SUMMARY REPORTS

About Thatcham

Background information about the parish

Introduction and background

Gives background to the production of the action plan and what was done, including research, consultations and involving the community

A vision for Thatcham

This discusses the aims and objectives for the First Action Plan and the priority projects and actions.

Summary report

This is a complete list of aims, objectives and topic-specific goals for the First Action Plan. It also summarises priorities for each topic. **[latter to do]** It does not include a list of projects and actions.

PART 2: TOPIC-SPECIFIC REPORTS

These cover the eight topics that were looked at in some detail and a ninth (Historic Heritage) on work has begun. It was not possible to look at other topics (e.g. education and housing) due to insufficient time and resources.

- **Anti-social behaviour and crime**
- **Environment**
- **Historic heritage**
- **Lifelong learning**
- **Senior citizens**
- **Social and community development**
- **Thatcham Town Centre**
- **Transport and travel**
- **Youth provision**

PART 3 Implementation and Thatcham Vision Phase II

This considers how to take forward the work completed to date, including implementing actions and projects, the need to extend and update the current plan and maintain/develop community involvement. The need for continued funding to support this work is highlighted.

DATA AND OTHER INFORMATION:

The results of the Vision's consultation and data collection exercises are available online: see links at www.thatchamshapethefuture.org.uk
